

Newsletter No. 10, 24.12.2009

Dear Mr. / Madam,

The goal of **Academic Information Network for South East Europe** ([AINSEE](http://www.ainsee.info)) is to facilitate the exchange of up-to-date information for the entire academic population in South East Europe. On www.ainsee.info you can find updated information about events, scholarships and grants, trainings and courses, projects and programmes.

Scholarship

The Talent for Governance Scholarships enable ambitious, young civil servants working for local governments in these countries(pdf) to follow a training course at The Hague Academy for Local Governance in the Netherlands. These courses offer an opportunity to see, do and experience governance from a typically local point of view. Contributions and cases come from local governance experts from all parts of the world. By following these courses, the civil servants will develop the knowledge and skills they need to improve living conditions in their local societies.
